UCF competes as "Knightsec" except for note

- For Competition Name, put the name of the competition.
 - For Teams in Competition, put the number of competing teams (above High School level) in the competition, or the number of schools, if the competition is an individual competitor
 - For Team Members, put the number of members on the team.
 - For Multiple Individual Competitors, put "yes" or "no" if the competition was a individual competition in which your school had multiple competitor:
 - For Scope/Scale, put "local", "regional", "national", or "international", depending on the scope of the competition
 - For Finishing Place, put the place which the team finished at, or the place of the highest-ranking individual from your school, for individual competition:
 - For Number of Tiers, put the number of the highest tier of the competition (i.e. 1 for the local tier, 2 for the regional tier, 3 for the national tier) in which the team competes
 - For Number of Rounds, put the number of rounds in which the team competed
 - For Competition Format, put either "head-to-head" or "indirect" depending on if the competition is live or indirect
 - For Nature of Competition, put either "hands-on" or "quiz" based on whether the competition is quiz-based or hands-on
 - For Breadth of Competition, put the number of skills tested in the competition, if known
 - For Depth of Competition, put "master", "expert", "journeyman", or "beginner", if known
 - For Competition Website, put the official website of the competition
- [If you have any other questions about what each piece of information is or involves, see the rules](#)
